VETERANS LED TO  
COUNSELING, DISCIPLESHIP  
AND DIVERTED FROM SUICIDE

### TESTIMONY:

"After seeing the atrocities of combat and suffering from PTSD, anxiety and being treated with clinical depression, I decided there was no God. No God could allow this much suffering in the world. After 8 years of atheism, I came across the Engage Your Destiny online sermons. Ben was a guy who looked like me and was someone who I could relate to. His story impacted my heart and I gave my life to Jesus.

I am now in a discipleship/mentorship program and all I want to do is spread the love of Christ to my veteran brothers and sisters."

- Andy (Iraq and Afghanistan Veteran)

THANKS TO YOUR SUPPORT OF OUR MISSION, WE WERE ABLE  
TO PROVIDE A GREATER IMPACT TO OUR VETERANS IN 2020!
